Cloud IT SOOs

Cloud statement of objectives (SOO) templates

Government can use these sample SOO templates to move legacy systems to the cloud more efficiently, and better plan for developing new cloud applications.

Agencies that move to the cloud will realize cost savings quicker through increased efficiency, agility, and innovation, and will require less time to close data centers.

Generic Cloud Migration SOOs developed by a GSA-led multi-agency working group

National Customer Service
Center

► Overview

▪ Ask GSA

▪ NCSC Questions and Feedback

National Customer Service Center (NCSC)

The National Customer Service Center (NCSC) is the source for information on any of the products or services available from GSA. The NCSC is a full-service center providing assistance and information to make acquisitions simple and efficient.

Services offered include:

- Current pricing;
- Order status;
- Tracing shipments;
- Billing inquiries;
- Problems with a GSA Order; and
- Schedules information.

Problem Resolution

Report a problem with any order by using [Ask GSA](#), an online customer service solution. Ask GSA allows direct reporting of problems with a requisition or GSA Global Supply order shipment. Thus, correcting problems such as damage, short/over, wrong item, quality, tracing shipments, and merchandise returns.
